PERSONAL SKILLS AND COMPETENCES

IT skills: MS Office Applications. I have knowledge of basic tools, excel, Outlook, word, power point, internet.

Others: I had two experiences abroad, one in Australia (2008) and the other one in Brussels (201-13). On both experiences I had the chance to improve languages (english and french). In addition, I have had the opportunity to expand the social network thanks to the participation of different conferences.

On my free time I have always participate on non-profit activities. Nowadays, I am participating with “Camins ONG” that helps the Rwandans in the field of education and health.

Studies to emphasize:

- Aids in Africa, final project in the Business Administration’s degree, tutored by Arcadi Oliveres
- The role of the church in Rwanda, January 2012, tutored by Antoni Castells
- Relationship between saving and surplus / trade deficit, December 2011, tutored by Juan Tugores
- Can we measure the development ?, thesis of the master's degree. September 2013, tutored by Max Spoor.
