

# EHECADI Agreement Form

I,

representing (name and acronym):

officially registered at the following address:

formally express our intention to join the European Health Care Final Dissertation (EHECADI) Platform, which aims to develop joint research, through international Final Undergraduate Dissertations, in the EHECADI Community. This platform is to be used by EHECADI European HEIs members, to reinforce existing healthcare curricula in health disciplines ( namely: nursing, physiotherapy, occupational therapy, and human nutrition and dietetics) to address societal health challenges.

By submitting this registration, we commit to actively participate in EHECADI, and we agree with the following statements:

- Our HEI name, logo and address can be present in the EHECADI platform.
- The information related to our HEI contained in this application is correct.
- A supervisor from our HEI will submit a "Dissertation Proposal" on the EHECADI platform, within 10 (ten) days.
- We accept the terms of EHECADI "Guideline for Institutions", "Guideline for Supervisors" and "Guideline for Students".
- This registration will be valid following its validation by the EHECADI consortium.
