

INTERNATIONAL WORKSHOP

INTERNATIONAL WORKSHOP ON HIGHER EDUCATION ON HIGHER EDUCATION

Plenary session and workshop: how to involve society in the care of people at the end of life

Background: there is growing interest in actively involving society in the care of people at the end of life, and in changing cultural attitudes to death and dying.

Leadership: Prof Allan Kellehar (Bradford U UK) and Prof X Gómez-Batiste (UVic-UCC)

Aims: to promote society's involvement in palliative care; to launch the project "Vic, compassionate city"

Methods: includes a plenary lecture and a workshop

Attendants: representatives of social organizations (schools, NGOs, neighbourhood associations, and health and social organizations).
