INTERNATIONAL WORKSHOP ON HIGHER EDUCATION ON HIGHER EDUCATION

Literary tours and their usefulness at all levels of teaching

Drs. Soldevila and Bataller, experts with vast experience in the field and recognized throughout Catalan-speaking territories as the driving forces behind numerous literary tours, will present the usefulness of these activities as a tool for revitalizing the way literature is taught. Today, literary tours are an instrument of great interest to renew literature teaching at all levels. A discussion will be opened among participants.
